Native Daughters Volunteer To Recruit Women For Marine Corps

Lieutenant Colonel Ralph A. West (left) San Francisco Marine recruiting officer, commends Mrs. Clarence C. Noerenberg, Grand President of Native Daughters of Golden West, for heading the N. D. G. W. drive to enlist native California women in Marine Corps Women's Reserve. These two represent the nation's oldest fighting force and state's oldest women's organization.

Members of El Carmelo Parlor No. 181, N. D. G. W., Daly City, are aiding in the state-wide drive to secure four platoons of California-born women for the Reserve. Those women interested in the program in this area are asked to mention El Carmelo parlor when they contact the recruiting office.

Enlistees may apply at Room 506, Central Tower building, 703 Market street, San Francisco, or at the Palace hotel recruiting station, Market and New Montgomery streets.

Ladies Auxiliary In Charge At Club

Members of the Ladies Auxiliary to Company No. 1, D. C. F. D., are in charge at the Daly City Servicemen's club, this week. Next week, beginning, September 5, Vista Grande Camp No. 6035, Royal Neighbors of America, will take over hostess duties. Their week will be concluded with a social, Saturday night, September 11.

Dancing classes are held at the center, 6201 Mission street, every Tuesday evening.

One of the three ladies representing the city in the sponsorship of the club, Mrs. Anne Eason, has been ill for several days. Her many friends wish her a speedy recovery. The other two committee leaders are Mrs. Maisie Boyle and Mrs. Margaret Steele.

"Alive And Well" Message Arrives

On the heels of a telegram that their son, Grant Smith, was missing in action, Mr. and Mrs. Ronald A. Smith, 258 Templeton avenue, this week, received the welcome message from the adjutant general that the report was erroneous and that Grant was alive and well. The shock was particularly devastating to the family in as much as their other son, Donald, is a prisoner of the Japanese, held at Shanghai.

Grant Smith is a first lieutenant and flight commander with the U. S. Army Air Corps on overseas duty. He received his wings at Phoenix, Arizona.

War Council Meet Early Tonight

Arthur J. Bodien, director, appealed to all members of the Daly City Civilian War Council to come 15 minutes before the official opening time of 8 p. m. at tonight's session in the city hall. Explanation of the request was not made but its importance was stressed by Director Bodien.

Emergency vehicle permits for 23 strategic members of the civilian defense setup to drive during blackouts were being distributed, this week, by Bodien.

He asked again that the rank and file of workers cooperate in filling out the new federal personnel record forms. To date the majority of these have not been returned to war council headquarters, Room 2, city hall.

Here's How It Is For Labor Day Holiday

Labor Day will be observed in Daly City by all city departments, except the police, most stores, the two banks, and the local post office, 6351 Mission street. The office of Daly City Draft Board No. 103 will be open at the city hall.

Due to the Labor Day observance, the general department of the Daly City Fire department will meet Tuesday night, September 7, instead of Monday, while the fire commissioners will also postpone their meeting one night and convene Wednesday evening, September 8.

SENIOR WARDENS

Harry Melicker, chief air raid warden, this week, expressed his appreciation for the manner in which the wardens of Daly City aided in the tin pickup, Sunday, August 22. He described their cooperation as "splendid."

The senior air raid wardens meet, tomorrow evening, September 3, at the city hall, 75 Wellington avenue. Melicker will call the session to order at 8 p. m. and all senior wardens, day or night, are urged to be present.

The Case Of Those Missing Sprinklers

"The things kids will do!" exclaimed Police Chief James G. Reardon in reviewing the case of the 132 sprinklers missing from the Jefferson Union high school grounds.

The maintenance man at the high school reported to the local police, August 25, that more than a hundred sprinklers had been stolen within the past few days from the lawn facing Mission street.

Chief Reardon investigated and tracked down the culprits—a group of youngsters in the vicinity. He found that 132 sprinklers had been "cached" in the ladies' shower at a nearby auto camp.

A severe reprimand was given the children and the sprinklers returned to the high school.

Theft of a more serious nature occurred when someone broke into and robbed Veteran's Inn, of which Tony Parmisano is proprietor. Early the morning of Sunday, August 29, the prowler gained entrance through a back window and made off with all the money in the record, cigarette, and poker machines, a small table radio, a case of mixed whiskey and two flashlights. Police investigated but found no clues as to the identity of the prowler.

Sergeant Ricco Benedetti, member of the local force, leaves for a 2 weeks vacation, beginning Monday.

Want A War Bond?

War Chest Offers Prize For Best Slogan

A War Bond for ten little words!

The San Mateo County War Chest organization will see to it that you get the War Bond—providing you can write a snappy but expressive slogan of ten words for the War Chest drive for funds which starts, October 18, and continues for two weeks.

The contest is open to everyone, young or old, in San Mateo county. It started September 1 and closes September 15, and all slogans which are mailed to the War Chest headquarters, 1211 Burlingame avenue, Burlingame, up to and including the latter date, will be received gratefully and given special consideration by a committee of judges.

The winner of the contest will receive a $25 War Bond.

Merchants throughout the county will carry entry blanks for the contest and Peninsula newspapers are publishing the slogan entry coupons too.

So that they may better acquaint the prospective "sloganeers" with what the San Mateo County War Chest and its drive means, organization leaders headed by Chairman E. H. Cosgriff offered the following educational matter:

1. The local War Chest is a part of the California War Chest and has been incorporated to raise funds for the National War fund as well as San Mateo county local agencies.

At least six local and worthy community agencies will benefit from contributions to the War Chest and the names of these local organizations are to be made public shortly.

2. Aside from benefiting our own community agencies, our contributions to the War Chest will go toward such war philanthropies as the USO, our American prisoners of war who are suffering somewhere in the friendless enemy prison camps; to aid starving Greece, to help gallant Russia; to aid China and her homeless refugees; to aid convalescent centers for our merchant seamen who brave death through the U-boat lanes with ammunition and men so that peace once again shall visit this world.

"The benefits for humanity that the War Chest contributions will accomplish are manyfold," said Chairman Cosgriff.

"We need a War Chest campaign slogan to inspire us in our efforts. We know a good one will come out of this contest."

Extend Recreation Activities Program

The city recreation program for children at Pershing school and Lincoln park has been extended until school opens. Activities are in full swing at the two centers daily, with Mrs. Audrey Clark in charge.

Miss Maximae Morris conducted the activities schedule until Saturday, August 28.

Indoor games and crafts are featured at the school, while outdoor games and play are enjoyed by the children at Lincoln park. Attendance continues heavy, according to the Daly City Recreation committee.

Attendance Up At Canning Clinic

What looks nicer—or any more satisfying—than gleaming jars of home-canned fruits and vegetables? Practically nothing, as the Daly City women who have been taking advantage of the summer canning clinic at Jefferson Union high school are well aware. This week, Monday, and yesterday, the turnout was particularly good. Due to this marked increase in attendance the high school will continue the program, with the cooperation of the San Mateo Junior College Adult center for as long as housewives give sufficient support to the project to make it worthwhile. The use of facilities and instruction are free and housewives are finding, according to Elsa Bogosian, in charge at the high school office, that the community kitchen method is "really fun." Pressure cookers are available and all the latest information.

Another added convenience introduced yesterday was the fact that the Red Cross Motor Corps transported tomatoes, now at their best, to the high school from down the Peninsula for those who were unable to secure them locally. They will continue this service if there is demand for it.

Among foods canned this season in the program have been string beans, tomatoes, pears, corn, peaches, beets, and artichoke hearts.

Those who wish to make reservations for future Mondays and Wednesdays should do so at once. They may call or write the high school office, RAndolph 6612, 6696 Mission street.

Board Reclassifies Many D. C. Fathers

Thirty Per Cent Have Been Sent Notices

Mrs. Isabelle Flynn, chief clerk at Daly City Draft Board No. 103, announced, yesterday, that 30 per cent of Daly City's fathers have been sent notice of reclassification. After a local father has received his notice of reclassification he has five days to register for essential defense work and thirty days to secure a war plant job.

Naturally, if a father does not transfer to one of the essential industries he is subject to call for service with the armed forces.

The local draft board office is located in the city hall, 75 Wellington avenue. It will be open as usual on Labor Day.

NEWS OF OUR MEN and WOMEN IN UNIFORM

Private First Class **Paul L. Dumont,** was, last week, honorably discharged from the U. S. Army. He had been for the past month in Hammond General hospital at Modesto, California, recovering from an operation. He wrote that he would make his home with Mrs. Ellen Yates, his mother-in-law at 140 Los Olivos avenue. Formerly he had lived for a number of years at 261 Flournoy street, where he still owns his own home.

Staff Sergeant **James V. Foley,** son of Mrs. Lillian Carlson, 134 Los Olivos avenue, has been awarded the Army's Good Conduct medal, it was announced, today, at the headquarters of Major General Kenyon A. Joyce, commanding general of the Ninth Service command, at Fort Douglas, Utah.

The medal is awarded to enlisted men who have qualified as a result of exemplary behavior, efficiency, and fidelity during a period of 12 months of continuous active military service while the United States is at war.

Sergeant Foley, who entered the Army April 22, 1942, is stationed at Fort Douglas, Utah.

A new student in the Signalman school at the Farragut, Idaho, U. S. Naval Training station, this week, is **Richard Alfred Walrod,** son of Mr. and Mrs. E. L. Walrod, 156 1-2 Los Olivos avenue, Daly City, who has begun a 16-weeks intensive course in that specialty.

At this school, one of many offered by the Navy, he will be taught the latest methods in that branch, and upon completion of the course, he may qualify for a petty officer rate.

Two Daly City men are enrolled in the Naval Training school (Pre-Radio) at the U. S. Naval armory in Michigan City, Indiana, where they are receiving training preparing them for advanced radio instruction prior to the time they join the U. S. fleet ashore or afloat.

The Bluejackets were chosen for radio training on the basis of aptitude test scores made during their "boot training" at the Great Lakes, Illinois, station. The radio course includes expert instruction in the basic principles of electricity, algebra and the slide-rule.

The two Daly City men are: **Erling Eldrup,** 34, son of Mr. and Mrs. Severin Eldrup, 134 Woodrow street; and **Harvey James Melicker,** 18, son of Mr. and Mrs. Harry James Melicker, 447 Irvington street.

Walter Cavagnaro, son of Councilman and Mrs. Edmund Cavagnaro, 428 Irvington street, writes to report that he enjoys reading The Record, especially the column of news about other local men and women in uniform. He is stationed at Milwaukee, Wisconsin, where he is enrolled in the U. S. Navy's V-12 training unit at Marquette university. A graduate of Jefferson Union high, Cavagnaro is preparing to be a naval officer.

Life in the U. S. Army isn't all drilling, marching, and K. P. Sergeant **Albert B. Doyle,** son of Mrs. Helen G. Doyle, 79 Risel avenue, Daly City, is using some of his time while off-duty to go back to school.

The local youth, now stationed at the Presidio of Monterey, California, has enrolled with the United States Armed Forces Institute, an official War department school which provides high school, college, and vocational correspondence courses for men and women in the service.

Thousands in uniform are now using this study plan, developed by the Army's Special Service Division, ASF, to continue their academic work during the war. Upon successful completion of each course, a certificate of proficiency is awarded and a transcript of the student's grades is sent to any school he designates to be evaluated for credit.

Those who are looking ahead toward landing a good job after the war are taking many specialized vocational courses such as airplane maintenance, air conditioning, mechanical drawing, and automobile repairing.

In addition to the 64 varied courses offered by the institute, the soldier-student has a choice of more than 700 extension courses from leading universities through the institute.

No matter where the soldier is stationed, he may continue his off-duty study. Overseas, the lessons are serviced by speedy photo-mail and at the present time more than 60 per cent of the Institute's enrollees are at the foreign battlefronts.

Private **John C. Schwarz,** son of Mr. and Mrs. John Schwarz, 659 San Diego avenue, enjoyed a week's furlough in Daly City, visiting with his family and friends. He left Sunday, for Kentucky, where he is stationed with the U. S. Army. Schwarz was formerly at Camp Bowie, Texas.

Corporal **Jack Cosbie jr.** has returned to Camp McCain, Mississippi, after an 8 day furlough in Daly City. His wife returned with him. He is the son of Mr. and Mrs. J. H. Cosbie, 510 Bellevue avenue, and attended grammar and high school here. He was graduated from Jefferson Union in January, 1939.

Many Hit Tunes In "Coney Island"

Not since the days of lavish Ziegfeld productions has a single entertainment vehicle contained so many hit tunes as 20th Century-Fox's new musical, "Coney Island," which stars Betty Grable, George Montgomery and Cesar Romero. The film is currently featured at the Daly City theatre.

Lovely Betty lends her charms and inimitable mellow, smoky voice to four new songs from the famed writing team of Leo Robin and Ralph Rainger.

Both lovers of swing and those that still adhere to sweet, low music will find something to cheer about in Betty's rendition of "Take It From There," and "Beautiful Coney Island." The first is a hot number that the lovely blonde star puts over in her best manner while the second is a haunting melody of romance by the sea.

"Miss Lulu From Louisville" presents Betty in blackface in a stunning musical sequence, using a large dancing and singing chorus. The song itself, of the novelty variety, has catchy lyrics and a lively tune that will have the hearers whistling as they leave the theatre.

For a finale, "Coney Island" brings to the screen one of the most spectacular numbers seen in many a day based on the hit, "There's Danger in a Dance." For this number again the studio has called on a large mixed chorus which rehearsed the difficult dance routines for almost two months before being pronounced perfect by Director Walter Lang.

"Coney Island" is one of the top filmusicals of all time. Betty Grable is cast as the toast of "Coney Island" while both Montgomery and Romero, a couple of fast-talking gents, double-cross each other in a highly entertaining manner, for the lovely lady's affections.

NOW AT DALY CITY THEATRE

She's delightful, delicious and de-lovely! Betty Grable, America's number one box-office darling, sings and dances her way through the merry, tuneful musical "Coney Island," which opens tonight at the Daly City theatre. George Montgomery and Cesar Romero co-star with the dazzling blonde in the 20th Century-Fox Technicolor picture of New York's famed riotous fun mecca.

San Mateo Junior College Will Give Tests, Sept. 11

Registration For All Students, September 13

San Mateo junior college will give entrance tests to new students, Saturday, September 11, register the new and old students for the fall term, Monday, September 13, and start class work the next day, the college office announced today. A complete program of junior college work will be offered by thirty instructors, most of who have served on the college faculty for a number of years. Another thirty of the college teachers are serving in the various branches of government service, along with hundreds of the junior college graduates.

President Charles S. Morris stresses the fact that the college will offer a full program for the young people, while the college adult center, starting a little later, will again have a wide program for the adult men and women, with many of the adult center classes being held in the evening.

SAN MATEO COUNTY BLOOD BANK ASSISTS

The San Mateo County Blood Bank is contributing increasing amounts of fresh blood plasma to the United States Navy hospitals at Treasure Island and Oak Knoll. The blood and plasma is called for regularly twice a week. Over a period of three months, 225 units of frozen plasma have been sent to Oak Knoll, and a 100 units to Treasure Island. The Blood Bank continues to replenish frozen plasma kept under refrigeration at both places.

These contributions are over and above the requirements of civilian needs which are being constantly fulfilled.

This response to both military and civilian needs has been made possible by the generosity of individuals from all parts of the county who are donating blood to the Blood Bank. This is indicated by the fact that the bank has had to date over 5,000 donors.

Organizations which have recently donated as groups are the Lions Club of San Mateo, the Coca Cola company, and the Daly City firemen. The Western Pipe and Steel, Eitel-McCullough and the Heinz-Kauffman companies generously cooperate by continuing to send groups.

Approximately 100 pints of fresh blood have been given to Oak Knoll during the past three weeks.

Hold Funeral Services For Leandro Barsi

Funeral services for Leandro Barsi, 62 San Pedro road, were held, August 28, from the W. C. Lasswell and company chapel. Interment followed at Italian cemetery at 11 a. m.

Barsi died at Villa hospital, August 24, after a brief illness. He was 55 years old. Surviving is a son, Arthur Barsi, San Francisco.

Not everybody with a dollar to spare can shoot a gun straight—but everybody can shoot straight to the bank and buy War Bonds. Buy your 10% every pay day.

Local Man Named To Scout Council

Skipper Frank Coughlin reports that Bert Meritt, who heads the Daly City-Colma Lions club committee sponsoring Sea Scout Ship No. 144, has been named to membership on the Sea Scout Committee of San Francisco. This is the first time Daly City has been represented on this board.

At the recent board of review held for Ship No. 144, Joseph Powers, Walter Coughlin, Joe Collins, and Bob Coughlin advanced from apprentice seamen to ordinary. Jim Coughlin and Tom Beeson went from ordinary to able. The board of review was composed of Fred Bregler, Theodore Gourley, Frank Merriman, Charles Elberling, Robert Fessenden of the local Lions club, and Skipper Coughlin.

For measuring up to these required standards, the boys will receive emblems designating their advancement at a bridge of honor to be held in the near future.

Skipper Coughlin announces that with the opening of the new fall term he hopes to see 100 per cent attendance. Another sail boat has just been assigned to the local ship and is now being fixed up.

Lorence T. Ashley has been commissioned a mate for Ship No. 144. He is one of the few men in the council to hold a pilot's license for San Francisco bay.

Five Grass Fires Break Out Sunday

Smoke from grass fires continued as part of the Daly City scene, this week, with the fire department answering as many as five calls in one day.

On Sunday, August 29, at 2:45 p. m. an alarm was turned in for a fire burning the railroad fence and grass near Niantic and Los Olivos avenues. Companies No. 1 and 2 responded. At 3:26 that afternoon, the same companies hurried to Willits street and Westlake to bring a fire along the railroad right of way under control. Shortly afterwards, they had to return to Los Banos and Niantic where another blaze had broken out at approximately the same location as the 2:45 fire. At 4:05 p. m. Companies No. 1, 4, and 6 responded to a call to Junipero Serra boulevard and School street and put out a grass fire, which later ignited again at 4:37 p. m. The same companies returned.

Monday, August 30, Company No. 6 and water and police department employees put out a grass fire shortly before noon along the Southern Pacific tracks at the south end of the city.

At Tuesday noon, August 31, Companies 1, 2 and 4 brought a grass fire on Bepler street under control in short order.

Last Thursday, the Ford sedan owned by John Hall, 2643 San Jose avenue, burst into flames in the middle of Mission street, opposite Citrus avenue. Companies 1, 2 and 6 responded to the alarm.

NATIVE SONS

El Carmelo Parlor No. 256, Native Sons of the Golden West, have again kept to their record for buying War Bonds. In August they purchased another $1,000 War Bond.

At the last meeting of the group, the men welcomed Eugene Greene, of the U. S. S. Helena, a fellow member.

On September 9, the parlor will hold an open house at Colombo hall for members and friends of the local parlor. On the same date, Admission Day, the local drum corps will participate in the big Admission Day parade in San Francisco. This event will be a climax to the Native Sons and Daughters bond selling campaign, in which the local parlor plans to sponsor a booth here in Daly City.

Lions Club Aids Red Cross Chapter With Knot Boards

What do Lions do in the summer time? What the jungle variety does can be discovered in any self-respecting volume on the fauna, but what the Daly City-Colma Lions did this summer was to turn out two hundred knot boards. These gadgets were for the San Francisco chapter of the American Red Cross, which needed them for its rehabilitation program among wounded servicemen at Bay area hospitals.

Among those who worked hard to get the two hundred boards finished in a hurry were John Newton, president; R. L. Crane jr., John Ferrari, Reb Bennett, Larry Comer, and Herbert Hickman.

The Sea Scout committee of the Lions club met, last week, to discuss improvements they wish to have made at the boys' meeting place, 6266-68 Mission street.

WHAT THEY DON'T READ

Donating books for servicemen to read is a very laudable act. That is, sometimes!

The boys who patronize Servicemen's Club No. 1 in Washington are wondering who the kind donor might be of a box of books that covered a very wide range of subjects—a bit too wide—they agreed.

"The Camp Fire Girls Go Motoring," was the first thrilling volume that was pulled out. The next fascinating work was entitled, "Baldness: Its Causes, Its Treatment and Its Prevention." Then came "Up-to-date Waitress of 1922," "Rhymes for Kindly Children," "The Shakespeare Birthday Book," and finally "An Analysis of the Factors in the Development of Fascinating Womanhood."

Can't you picture the boys sitting up nights to devour these literary gems?

PAPER SHORTAGE

"Pulpwood produced in the United States is essential to the continued publication of our great free press." So declared a spokesman of the American Newspaper Publishers association which is now conducting a campaign to encourage greater pulpwood production as a means of avoiding further drastic cuts in newsprint allotments.

American newspapers account for only 6 per cent of the pulp consumed. Yet, we are told further cuts may be necessary since paper is so vitally needed in the war effort.

However, if all government agencies would reduce their use of paper to absolute essentials, many thousands of tons of paper would be saved.

LABOR DAY

Labor Day, 1943, will have a deeper meaning to Americans. Today, the whole country is labor conscious—conscious that it has done a great job, and that it has yet a greater job to do.

Not a flag-waving, speech-making day will it be. Main street will not resound to the marching feet of the men in overalls. Rather, our industrial army will march to the mines and the mills, the shops and the shipyards to hum the hymn of victory—work—work—work.

Not only has the brawn, but the brains of American labor, been very much in evidence during the past year. Countless man hours have been saved by the short-cut, work-saving ideas conceived by the men on the job.

Ten planes an hour—five ships a day—that's the approximate pace our production has attained. Still, we must do better, build faster, faster. Mounting victories on the battlefronts bring mounting needs for equipment. But the accomplishments of American labor have already spoken eloquently in the only language the Axis addle-brains can understand—the language spoken by the whine of shells and the roar of exploding bombs.

The ranks of labor have swollen to the unprecedented figure of 54 million—including 16 million women—and this, in spite of the large withdrawal of men for the armed forces. Wives, sisters, sweethearts—even mothers of those in uniform are working to turn out the weapons of victory.

Today labor is not only striving for the quick collapse of our enemies but it is keeping an eye on what lies beyond "V" day. Labor recognizes that its continued prosperity is inseparably bound up with the freedom of private enterprise, rather than in made-work of the government. Labor demands—and deserves—genuine jobs in the post-war era. And these jobs will be available as labor, capital, and government cooperate—each in its proper sphere.

On this day we salute the men and women of our industrial army. They are good soldiers who are fighting a good fight.

YOU AND THE THIRD WAR LOAN DRIVE

Mark well the date—Thursday, September 9. For on that day, you must answer to your country's call.

On that day, the Third War Loan Drive opens. To you—and to every other true American—a clarion call goes forth to rally to the support of our flag.

You will be asked to back our fighting forces to the very limit of your resources. You will be asked to go all-out for invasion by investing in extra War Bonds—more War Bonds than you perhaps think you can possibly afford.

To meet the national quota, every individual in the country who earns a wage or draws an income or has accumulated funds must invest, if he possibly can, in at least one extra $100 War Bond. Those who can, must invest more—thousands of dollars' worth more. Each and every one must do his full part.

Scrape up the money from every source you can . . . turn in all loose cash you carry with you . . . dig out what you had tucked away "just in case." Go without pleasures, luxuries, even necessities this September. And give our fighting men the things they need to fight with—and win.

These men are throwing everything they have into this fierce invasion push. They are giving their blood, their lives. No one can put a price on such courage, self-sacrifice, devotion. But you can show you're with them to the limit! You can say it with Bonds . . . extra Bonds this month.

COURT ST. MARY

Court St. Mary No. 1155, C. D. A., will hold a public whist party, tonight, September 2, at Masonic hall, beginning at 8:30. The public is cordially invited to attend.

Co-chairmen Mrs. Ida Grummel and Mrs. Gladys Walden announce many lovely prizes for the occasion.

Preceding the public whist, members of the court will hold a business meeting, beginning at 7:30 p. m.

When You Write To Serviceman Get Address Right

Because more than 10 per cent of the mail destined for overseas is incorrectly or insufficiently addressed, the War department has asked that the sender be sure to give the soldier's rank, name, Army serial number, organization, and Army post office number.

Following is a model address:

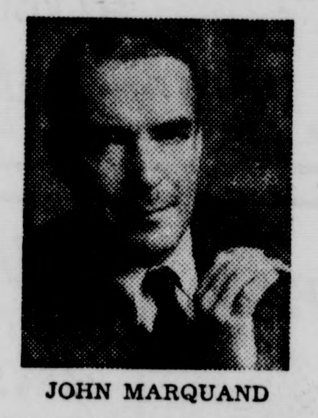
Pvt. John Doe, ASN 1234567890
Battery B, 227th Field Artillery Battalion
APO 29, C-O The Postmaster, New York, N. Y.

The War department also asked that families and friends of soldiers send clippings instead of periodicals whenever possible to save cargo space.

READING & WRITING

BY *Edwin Seaver* AND *Robin McKown*

LONG before publication, John P. Marquand's new novel, "So Little Time," was already arousing a lot of excitement in the literary world. John Marquand, who is best known for his satiric portraits of New Englanders ("The Late George Apley" and "H. M. Pulham, Esquire") in his present novel turns his not too gentle pen upon the New York literary, theatrical and social world.



JOHN MARQUAND

Two characters in "So Little Time"—the foreign correspondent who knows all the answers and the wealthy playboy publisher—are so caustically drawn that literary circles have been speculating on whom Marquand may have had in mind. The author himself simply and quite definitely denies that his fictional characters have any living counterparts.

"So Little Time" is the story of Jeffrey Wilson, a boy from a small New England town, who was an aviator in World War I, then, for a brief period, a newspaperman. His ambition was to write plays, but he soon discovered that that was too hazardous a profession to make it possible to meet the bills of his socialite wife and children. So he became a "play doctor"—that is, he fixed up the plays and motion picture scripts that other people wrote.

We first meet Jeffrey Wilson at the height of his success—and the time is just ten months before Pearl Harbor. Jeffrey is one of the few among the people he knows who is aware of the shadow of war that overhangs America; he is obsessed with the thought that there is "so little time" left to do the things one wants to do.

Among the unforgettable scenes in "So Little Time" are: a weekend houseparty in Connecticut where the hosts collect celebrities with the same avidity they have collected antiques for their remodeled and streamlined farmhouse; a literary cocktail party given by a publisher for a woman author; a conference among the big Hollywood producers and script writers, wherein is concocted, according to Hollywood standards, a picture about a beautiful Norwegian girl who escapes from the Nazis.

* * *

Like his hero, John Marquand also has occasionally written for Hollywood. Once, he relates, he was sitting in his office when in walked an attractive young lady who introduced herself as the hostess for the film company's kiddies. "We are having a birthday party today," she said, "and I wondered, would you mind if the children held a peanut hunt in your office?" The author said he had no personal objections, but that, after all, he wasn't sure whether his employers would approve of peanut hunts on their time. "Oh, the kiddies won't interfere with you in the least," she assured him. "You can go right on working. They'll just look around for peanuts."

CHRISTMAS MAIL MUST GO EARLY!

If there's a boy overseas you'll want to be greeting on Christmas, now's the time for action!

The Daly City post office, 6251 Mission street, released the following information about Christmas parcels and cards for the armed forces overseas, this week:

Christmas parcels and Christmas cards for members of the United States Army outside the continental United States should be mailed during the period beginning September 15 and ending October 15, 1943. Christmas parcels and Christmas cards to personnel in the United States Navy, Marines and Coast Guard should be mailed during the period beginning September 15 and ending November 1. Each parcel should be endorsed "Christmas parcel." It is wise to mail both parcels and cards as early during these periods as possible.

The limits in size and weight for Christmas parcels are as follows:

Maximum weight, 5 pounds; maximum length, 15 inches; combined length and girth, 36 inches.

No perishables will be accepted. Intoxicants, matches and lighter fluids also are not permissible.

Inasmuch as the service men are amply provided with food and clothing the following items are suggested as appropriate:

Toilet articles such as soaps, razor blades, lotions and small pocket size military cases, stationery, books, tobacco and hard candy. Money should be sent in the form of postal money orders, with the post office through which the orders are to be routed shown as the paying office.

Requests from the addressee for these parcels will not be necessary during the above named periods.

It is essential that parcels be completely and correctly addressed.

It is also essential that parcels be securely packed and tied.

Information regarding rates of postage and manner of packing may be obtained from the local postmaster or his assistants.

Leonel Gray Writes From Washington

R. Leonel Gray, former instructor at Jefferson Union high school and now an assistant field director for the American Red Cross, wrote The Record, this week, to publicly advise his many Daly City friends that he'd like to hear from them. Gray is now stationed at Fort Worden, Washington. A portion of his letter is quoted here:

"Sitting here in the office of the field director of the American Red Cross at Fort Worden, Washington, I am getting sort of lonesome for news from my adopted home of Daly City. I will always look back with pleasure to the

DALY CITY FARALLONE PACKERS WIN GAME

Daly City's Farallone Packers took the first of the three-game playoff series over the Belmont Merchants, 6 to 5, Sunday afternoon at Marchbank park. Earlier in the day, the Packer Juniors took a close 4-3 contest from the La Rocca Sea Foods.

Walt Lister teamed up with Catcher Fenech as the winning senior Packer battery, opposing Wilson and English. Trutta and Hjort drove out successive doubles to break a 5-all tie score, and produce the winning run. Hits for the Farallones totaled 10, and for Belmont, 8.

As the only game of the day for Peninsula Summer Baseball league teams, the contest had a large attendance of fans from the area. Ed Garrigan announced the game over the public address system.

In the morning game, Quinones and Clark comprised the battery for the little Packers, opposing McNeil and Gandolfo. Manager Louis Marioni's Juniors were credited with 8 hits, while the La Roccas had 7.

Marchbank park in Daly City will be the setting for a special game between two service teams, Saturday afternoon at 2:30 o'clock, when the Camp Beale squad from Marysville is scheduled to meet the popular Surf Riders.

With both the Farallone Packers and the Juniors absent from the local diamond, next Sunday, games between outside teams have been arranged. At 11 a. m., the San Francisco Boys club will meet the San Mateo Juniors, followed by a 2:30 p. m. game between the E. Bercovich and Sons squad of Oakland, and the Longshoremen of San Francisco.

On the same day, the senior Farallones have a 3:30 p. m. "date" with Belmont for the second of their series, with this as part of a doubleheader of league playoff games. San Mateo and the Moffat Mantecas, who ended the league season in second and fourth places, respectively, will provide the other half of the bill. A win by the Daly City team would put it into the playoff finals, while a loss would make necessary a third clash with Belmont.

DINNER PARTY

Twenty city officials and close friends of H. H. Smith jr., city councilman who has just left for service with the armed forces, gave a dinner in his honor, Wednesday, August 25, at Uncle Tom's cabin in San Bruno. Smith was presented with a handsome engraved, gold-mounted fountain pen as a token of esteem.

WESTERN PIPE & STEEL CO.
(SOUTH SAN FRANCISCO)

Offers the best possible opportunity for

NON-ESSENTIAL WORKERS TO GET INTO WAR INDUSTRY

You can render your country a service that is just as vital to the winning of the war as that of the men on the fighting fronts. You can start right now, writing your own record of active participation in the war effort, by getting into the shipbuilding industry.

Western Pipe & Steel Co. can use trainees and helpers in all skills and crafts, including the following:

Welders
Burners
Chippers
Flangers
Shipwrights
Machinists
Pipefitters
Electricians
Sheet Metal Workers
Shipfitters

There is also plenty of work for journeymen in all of the above trades.

When Victory comes you will want to be sure of two things. They are:

(1) That you personally made a creditable contribution to the war effort.

(2) That you have mastered a trade assuring you of profitable post-war employment.

If you are now classified as a non-essential worker, don't wait until you are forced to get into a war industry.

Your opportunity is here, right now, at Western Pipe & Steel Company, South San Francisco.

For your special convenience our employment office will be open on Sunday from 8 A. M. to 4:30 P. M.

Follow Butler road east from the Bayshore Highway to the main gate, where a guard will direct you to the employment office.

Or apply to United States Employment Service:

Former Construction Men 'Make Good' as Seabees Build Fighting Bases in Aleutians for Pacific Job

On Adak, Amchitka, Attu and other islands in the Aleutians chain, Seabees — the Navy's Construction Battalions — are doing a job, which, combined with similar activities in many other places in the Pacific, is paving the way for smashing the Japs in their homeland. These islands, unheard of by the average American before the war, have become extremely important links in the chain being forged around Tokyo.

Unopposed by the Japs, who had moved in shortly after Pearl Harbor, Adak and Amchitka were occupied by the Americans just before the beginning of the succesful struggle to recapture Attu. It is from these islands that Kiska, last holdout of the Japs in the Aleutians, was pounded by bombers so frequently.

OFFICIAL U. S. NAVY PHOTOGRAPHS

Above—War supplies are lined up on both sides of the water, stacked closely and stretched far away along the shore at Adak.

At left—Dressed for the bitter Adak weather, two Seabees run a grade line in preparation for road construction on Adak.

Seabees moved in with the troops at Attu. With the Nips' bullets crackling about them, they built tents, roads, gun emplacements, rampways to bring heavy equipment from barges to shore, arranged for fresh water supply and performed the countless other tasks that make up the difference between a fighting base and a mere beachhead.

The Seabees were able to do this job quickly because many of them were highly skilled construction men in civilian life — carpenters, electricians, welders, machinists, concrete workers, powdermen and others.

In the Seabees — as well as the Army Engineers—there are plenty of jobs for qualified, healthy, American construction men living in non-restricted manpower areas. Seabees are rated and paid according to their experience. They have the opportunity to qualify as petty officers, with base pay from $78 to $126 monthly, plus food and quarters, free uniforms, 20 per cent increase in base pay for overseas service, dependency allowances and other extras. A booklet, "Build and Fight With the Seabees," available at Navy Recruiting Stations, supplies detailed information.

TWO MOTORISTS PAY $50 FINES

Two motorists paid $50 fines at city court, Friday afternoon, August 27, upon decision of Judge William J. Sweeney.

Lorena Volz, 301 Poplar avenue, San Bruno, forfeited $50 bail in payment of her fine. A complaint had been signed against her by Police Officer Roland A. Petrocchi for reckless driving with bright lights on in a dimout area.

Thomas Ed Ramsey, 1388 Ninth avenue, San Francisco, forfeited bail of $50 in payment for his fine in that amount. Officer George Savage swore out a complaint against him, August 18, for driving his sedan north on Mission street while under the influence of intoxicating liquors.

Motorists who violated dimout regulations, and paid for it, at the Friday court sessions were: Jack Fry, 1166 O'Farrell street, San Francisco, fined $5; Fred Shaw jr., Vallejo, $5, with $2.50 suspended; Sammy Esposito, 225 Jones street, San Francisco, $5; Jehan Thrall, 174 Del Mar way, San Francisco, $5; Charles M. Fletcher, Oakland, $5; Alfonso Barni, 18 Tioga avenue, San Francisco, $5; Edward Bauman, South San Francisco, $5, with $2.50 suspended; Victor Malerbi, 991 Greenwich street, San Francisco, $5; Ferdinand Groszi, Oakland, $5; Gus Kohfield, 178 Victoria street, San Francisco, $5; Walter Milton Gentle, 1008 Silver avenue, San Francisco, $5; and Roberta Stella Gibson, 1912 Fifteenth street, San Francisco, $5.

George D. Casper, San Francisco, paid $2.50 for going through a traffic signal, as did Marie Helen Andersen, 146 Granville way, San Francisco, and George V. Martin, 974 Union street, San Francisco. Disregarding the arterial stop at School and Mission streets, cost Thomas Jones, 1050 Fell street, San Francisco, $1.50.

Fined for speeding 45 miles in a 25-mile zone, Carl Lundroth, 1205 Alemany boulevard, San Francisco, paid $7.50. A $5 fine was paid by Albert B. Mazzei, 4201 Balboa street, San Francisco, who received a tag for speeding at 40 miles in a 25-mile zone. In addition, he had no operator's license.

twelve years spent there teaching in Jefferson.

"Fort Worden is located on the Olympic peninsula about 1 1-2 miles from Port Townsend. This is a very beautiful country. The forest is dense and of a deep green.

"This morning I am sitting at my desk with the sun streaming across the room giving the rough two by four and plywood partitioned room a pleasant warmth. It is 6:55 a. m. or as we say in army language 0655. I will admit that that is about 20 minutes earlier than I usually get here. We get up early here. This morning I have the feeling that I would like to go into the snow-covered Olympics and cast the fly into some of the trout streams there, or to go out in a boat after the salmon that are being caught at this time of the year. Alas, that is not possible as the day of the Red Cross man starts about 7 a. m. and ends at 9 in the evening. Do not think that I am objecting to the long hours. I love it in spite of the fact that I get most terribly lonesome for my family in Walla Walla, Washington."

Royal Neighbors Sewing Club Meets

Next meeting of the sewing club of Vista Grande Camp No. 6035, Royal Neighbors of America, will be held, Tuesday evening, September 14, at the home of Mrs. Edna Huggard, 3059 California street, San Francisco. The hostess will serve dinner at 6:30 p. m. for the group.

Hostess at the Tuesday, August 24, meeting of the sewing club was Mrs. Lillian Gray, 81 Whittier street. Those attending were: Mrs. Doris Davis, Mrs. Huggard, Mrs. Agnes Wood, Mrs. Estelle Peterson, Mrs. Anna Smith, Mrs. Clarise Scott, Mrs. Grace Coolish, Mrs. Emilie Twesten, Mrs. Mattie Putman, Mrs. Anna Romer, and Mrs. Marie Rucker.

ABOUT TIN

The bulk of tin cans salvaged is used for tin reclamation and steel production—1 per cent tin and 99 per cent steel scrap.

One-sixth of the nation's tin cans are salvaged in the West, Southwest, and Mountain states where many of the cans are used for the precipitation of copper from mine waters.

Laborless Labor Day

How about a laborless Labor Day for you, the Homemaker? Truly you deserve relaxation along with the rest of the family! And it can be done, you know.

To make sure the day will be free from cooking, plan your menus for the entire week end so that practically all the meals can be cooked Saturday. Holiday meals needn't follow the regular schedule. With breakfast later in the morning and heartier, too, and a substantial dinner in the offing, lunch can be merely a snack or left out entirely. Of course dinner should be plentiful enough to take care of robust appetites, so we recommend the following:

LABOR DAY DINNER
Old-fashioned Baked Beans
Hot Spiced Beets
Cabbage, Carrot and Orange Slaw
Whole Wheat or Boston Brown Bread
Butter or Margarine
Applesauce Shortcake
Beverage

Ahead-of-time cooking—The beans, beets and shortcake can all be prepared ahead of time so that most of the work is done. Just reheat the beans for an hour before serving time. The beets can be cooked for Saturday with enough left over to spice and reheat for Monday. The shortcake and applesauce can easily be prepared earlier and united at the last moment.

For that holiday air—If it is warm enough, carry the dinner outdoors and enjoy it picnic style. If the weather discourages this, then serve it buffet style with everyone serving himself. What a work-saver this method is and everyone enjoys that kind of dinner.

Baked beans can be different—Practically everyone has her special way of baking beans. My favorite method is to put an onion in the bottom of the bean pot, then heap in the boiled beans, add sweetening, seasonings and enough bean liquor for moisture and bake. The onion flavor permeates each and every bean in a most delicious manner. If you want to be different, try baking other beans such as limas, pink or pinto beans by your favorite method. While they are in season, chopped fresh tomatoes can be used instead of tomato sauce, too.

Early bird shoppers—If you want to get a running start on the relaxation schedule, then do your shopping early with your complete menus in mind and overlapping each other. For instance, a meat loaf could be served hot Saturday and cold Sunday. Vegetables for one meal can go into the salad the next day, and so on throughout the week end.

JUST DESSERTS—If you want to finish dinner off in a triumphant manner, then look to Julia Lee Wright's article in this week's Family Circle Magazine. It's all about sugar and shortening saving desserts.

It's Really Labor Day This Year

By BETTY BARCLAY

This year millions of our people are laboring on Labor Day. There's a war to be won. Time is money. We gladly sacrifice our holiday so that we may aid our boys "over there" with one more day's work.

Let's celebrate Labor Day at the evening meal! Here are a few tips for just such an occasion.

Scalloped Peas and Eggs

1 (12 oz.) package quick-frozen peas
4 hard-cooked eggs
3 tablespoons butter or margarine
2 teaspoons minced onion
2½ tablespoons flour
1¼ cups milk
6 tablespoons vegetable liquor or vegetable liquor and milk
Salt and pepper to taste

Cook quick-frozen peas according to directions on box. While cooking, melt butter in saucepan. Add onion and flour and stir to a paste. Add milk gradually, stirring constantly. Cook 2 minutes or until thickened, stirring constantly. Measure liquor, drained from cooked vegetable, adding milk if necessary to make up the amount. Add to white sauce and blend. Season with salt and pepper. Arrange seasoned drained peas, white sauce and sliced eggs in alternate layers in greased casserole. Sprinkle generously with buttered crumbs. Place in pan of hot water and bake in hot oven (450° F.) about 20 minutes, or until browned. Serves 4 to 6. When the butcher hangs up a "No Meat" sign, it's good Victory tactics to co-star vegetables with milk, cheese or eggs to give good nutritional value to the menu. Investment of blue points in quick-frozen vegetables is effective time-saving strategy for hurry-up cooks. These vegetables come to you all ready to cook, just as they come from their cartons, with a full quota of vitamins and garden-fresh flavor sealed in by quick-freezing.

Orange and Chicken Salad

1½ cups orange sections
2 cups cooked chicken, cut in pieces
1 cup diced celery
½ cup Lemon French Dressing
Lettuce or other greens

Toss the orange sections, chicken and celery together with the Lemon French Dressing. Arrange on 6 individual beds of greens or with the greens in a salad bowl. Serve cold.

Brown Betty

3 large apples, pared, cored and thinly sliced
1 teaspoon lemon juice
4 tablespoons butter
¾ cup brown sugar, firmly packed
1½ cups Grape-Nuts Flakes
¼ teaspoon cinnamon
¼ teaspoon salt

Arrange apples in greased baking dish and sprinkle with lemon juice. Cream butter, add sugar gradually, and cream together thoroughly. Add Grape-Nuts Flakes, cinnamon, and salt, and mix well. Spread over apples. Bake, covered, in moderate oven (350° F.) 30 minutes; then remove cover and continue baking 15 minutes longer, or until apples are tender. Serve plain or with cream. Serves 4 to 6.

Wartime Vanilla Ice Cream
(Automatic Refrigerator)

1 rennet tablet
1 tablespoon cold water
2 cups light cream
½ cup sugar
1¼ teaspoons vanilla

Dissolve rennet tablet by crushing in cold water. Mix light cream, sugar and vanilla. Warm slowly, stirring constantly. When COMFORTABLY WARM, (110° F.) not hot, remove at once from heat. Add dissolved rennet tablet and stir quickly for a few seconds only. Pour at once, while still liquid, into refrigerator tray. Let stand at room temperature until set — about 10 minutes. Place in freezing compartment. Freeze until firm. Remove from tray to a bowl, break up with a fork and beat with electric or rotary beater until free from hard lumps but still a thick mush. Finish freezing. Top each dish with a few nut meats before serving.

Hot or Cold Refreshment Beverage

Use one rounding tablespoon all-purpose grind decaffeinated coffee for each cup (½ pint) of cold water. Pour cold water into pot of percolator. Set percolator basket in pot and put coffee in it. Cover. Let percolate slowly and gently 15 to 20 minutes, or longer than ordinary coffee to obtain full strength of decaffeinated coffee. When you serve decaffeinated coffee everybody can relax taut nerves and forget worries. If your guests want an iced beverage, pour the decaffeinated coffee over ice cubes. If they want it hot, serve it with cream or hot milk.

Games are proving fun for stay-at-home vacations these gasless days. In high favor for neighborly porch parties is Rook, the turn of the century favorite that's played with numbered cards in four different colors. Rook, like Flinch, another new-old best seller, provides the basis for dozens of different games that all the family can enjoy. The classic Monopoly and Camelot, the battle game, are in high favor for vacation parties. Spotting, designed to teach the technique of airplane identification and Ranger Commandos are two new best sellers inspired by wartime strategy problems.

WOODROW PTA

Woodrow Wilson P. T. A. will hold an executive board and sewing club meeting, Tuesday, September 14, at 117 Miriam street.

Hostesses will be Mrs. Hilda Heagney and Mrs. Mildred Ventura.

Ragner Nordgren Jr. Celebrates Birthday

Mrs. Clifford E. Britton, 598 Evergreen avenue, honored little Ragner Nordgren jr., August 26, with a surprise luncheon on his eleventh birthday.

The attractively decorated table featured a large birthday cake with 11 candles.

Ragner's mother, Mrs. S. Nordgren, was co-hostess. Just the immediate family attended, Ragner's sister, Florence, George and Diana Osborne, and Mrs. M. B. Osborne. Ragner's brother, Leonard, is a guest at a dude ranch out of town and was not able to attend.

Girl Scout Troop 1 To Resume Meetings

Mrs. J. S. Calvin, leader, announced today that members of Girl Scout Troop No. 1 will resume their regular weekly meetings, Thursday, September 16. During the vacation period, the troop did not meet.

The girls of Troop No. 1 hold their get-togethers, each Thursday at No. 5 firehouse, Oliver and Bellevue, starting at 3:30 p. m.

HIGH SCHOOL PTA

Whist enthusiasts were reminded that this afternoon, September 2, Jefferson Union High School P. T. A. will hold a public whist party beginning at 2 p. m. at the home of Mrs. Ida Hanley, 43 Woodrow street. There will be a cash first prize and other nice awards.

Preceding the public whist, the high school unit will hold an executive board meeting. Mrs. Hanley, president, will serve luncheon at her home to board members, beginning at noon. Plans for the fall term will be made.

NEW CURRENT TAX PAYMENT PLAN

Collector Explains Declaration Filing

Guy T. Helvering, commissioner of Internal Revenue, recently announced that forms and printed instructions for the filing of estimated income and Victory tax declarations on or before September 15, as required by the new Current Tax Payment Act, have now been distributed to individual taxpayers, including those in Daly City, by the collector of Internal Revenue.

Filing of the declarations will be the second major step under the Current Tax Payment Act in converting the Federal individual income tax from the old delayed payment method to a "pay-as-you-go" basis. The first step was the inauguration, July 1, of the new withholding plan, under which the Victory tax, normal income tax and first bracket surtax are paid by millions of persons through deductions from their wages and salaries.

The purpose of the declarations is to make current in their tax payments all those individuals whose income and Victory tax liability will not be fully covered by collections through withholding and other credits.

Experts of the Bureau of Internal Revenue have greatly simplified for the average taxpayer the task of filing the declarations.

A form and set of instructions for use in estimating the tax on incomes up to $10,000 rival for simplicity, revenue officials pointed out, the familiar "five minute income tax return" which made its debut in 1942. The computations and entries which this simplified declaration method requires should be matters of about five minutes for a large portion of the taxpayers by whom declarations will have to be submitted, the officials said. For those who desire to make a more precise computation, or who have an income of more than $10,000, detailed worksheets may be secured from the collector upon request.

Persons required to file the declarations are generally: 1. The recipients this year or last year of gross incomes from wages subject to withholding in excess of $2,700 for single persons or $3,500 for married couples; 2. Those who have incomes this year, or had incomes last year, requiring the filing of a return, with more than $100 of these incomes derived from sources other than wages subject to withholding; 3. Those required to file an income tax return on 1942 incomes and whose wages subject to withholding for 1943 are reasonably expected to be less than their similar wages for 1942.

Where the declarations show an estimated tax liability for 1943 in excess of credits, half of the excess is to be sent to the collector of Internal Revenue along with the declaration, and the other half remitted on or before December 15. Credits to be taken on the declaration include withholdings and the payments, if any, made to collectors on March 15 and June 15 this year on account of 1942 income taxes. The withholdings to be credited include those, if any, made by employers of the Victory Tax for the first half of the year, before the new withholding system went into effect, plus those made since July 1 under the new system.

Treasury statisticians have calculated that about 15,000,000 persons with tax liability for 1943 will be required to file the declaration.

Many of the people who must file declarations will be professional workers, such as lawyers and doctors. Many more will be persons operating their own business establishments. Another large class of people who must file the declaration are those with earnings on which there is a liability reaching into the upper surtax brackets, and therefore not fully covered by withholding. There will be many also from persons with combination incomes such as wages, on which taxes are withheld, plus interest, dividends or rents, to which withholding does not apply.

If correction of the September 15 estimate of any taxpayer becomes necessary, an amended declaration may be filed on or before December 15, and the proper adjustment in payments made.

Declarations are to be sent by September 15 to the collector of Internal Revenue in whose district the taxpayer expects to file his final income tax return for 1943 next year. The office in this area is located at 100 McAllister street.

In the case of taxpayers deriving 80 per cent or more of their gross income from farming, filing of declaration is not required until December 15, at which time the full unpaid balance of the estimated tax must be paid. They may, however, file on September 15 if they wish and pay their estimated tax in two installments—September 15 and December 15.

The Current Tax Payment Act provides a penalty for a substantial estimate of the tax due. However, it was pointed out by the treasury, no one who makes his estimate carefully need incur this penalty. The privilege of filing an amended declaration on or before December 15 is a safeguard on this score.

Eventually, operation of the withholding system plus the declaration system will make all individual income taxpayers substantially current. That is to say, each individual taxpayer will pay his taxes during the year in which the income is received. Under the old income tax law, payment of an individual's tax for any given year's income was delayed to the year following.

July Sees Rise In Old Age Load

Old age assistance rolls in San Mateo county were upped by 18 new cases during July, California Taxpayers' association's study of the first month of increased and more liberal old age aid laws in California counties shows.

The number of people receiving aged aid in the county went from 1,177 in June to 1,184 in July, a net increase in the roll of 7 during July. Withdrawals from the rolls account for the difference between the number of new cases added and the net increase, the association stated.

At the end of July there were 86 applications for old age aid pending in the county. At the close of April, there were 56 cases pending, with the number of applications trending upward for the months since April.

Average aid per needy jumped from $36.52 for June to $46.33 for July, the effective date for the increased aid being July 1, the association stated. Total aid granted in the county from county, state, and federal funds increased from $42,986 in June to $54,852 in July.

GET PERMITS

Among the eleven San Mateo county residents in the list of 500 Californians who will be permitted to hunt antelope, this season, are two Daly City men, **W. W. Sunderland** and **Tex Preston.** Several thousand nimrods had applied for the permits. The drawing to determine the lucky hunters was held at Sacramento. September 11 to 20 is the period when antelope hunting will be allowed by the division of fish and game.

Summarize 1943 Game Law Changes

A summary of 1943 changes in the fish and game laws affecting the man afield or astream has been compiled by Robert W. Kenny, attorney general of California, and is ready for free distribution to California sportsmen, according to advices received today from the attorney general's office.

The summary is in layman's language and lists the species or items alphabetically so that if you want to know what was done at the last session of the legislature about bear, deer, ducks, salmon, etc., you turn to the particular item.

All sportsmen who desire a copy of the summary may obtain one without charge upon request at his office in San Francisco, Los Angeles or Sacramento, Kenny said. The San Francisco office is in the State building, UNderhill 8700.

"Date Conscious"? You'd Better Be - -

Here is a list of those ration dates, which make calendar-watchers of all local housewives, motorists, or, in fact, anyone who wishes to eat, drive his car, or buy an occasional pair of shoes.

August 1—blue stamps R, S, and T became valid. Good for purchase of processed foods through September 20.
August 16—stamp 14 in War Book One, good for 5 pounds of sugar, became valid; good through October.

August 29—red stamps Y became valid, good through October 2.
August 31—red stamps T, U, V, and W expired.
September 1—blue stamps U, V, and W became valid and remain valid through October 20.
September 5—red stamps Z become valid, good through October 2.
September 12—brown stamps A in War Ration Book Three become valid for purchase of meats, fats, oils, etc.
September 19—brown stamps B in Book Three become valid.
September 20—blue stamps R, S, and T expire.
September 21—last day to use "A" book coupons No. 7 for 4 gallons of gasoline.
September 26—brown stamps C in Book Three become valid.
September 30—tire inspection deadline for A book holders.
October 2—red stamps X, Y and Z expire; also brown stamps A and B.
October 20—blue stamps U, V, and W for processed foods valid through this date.
October 30—brown stamps C expire.
October 31—last date to use stamps Nos. 15 and 16 in Book One, each good for 5 pounds of canning sugar.
October 31—shoe stamp 18 (in War Ration Book One) expires.
October 31—tire inspection deadline for B book holders.

Coffee has left the ration list altogether, so civilians may now face the rest of the ration news each morning with at least two cups of coffee between themselves and the hard world of reality.

MILO'S MARKET DE LUXE

6315 MISSION ST.

What can I do?

We believe that nearly all Americans are convinced that, with all its drawbacks, a food rationing program is necessary for an equitable distribution of foods. We have only to remember the chaos which existed prior to rationing, when various lines were "bought out" at the stores.

To help make food rationing more workable, each American housewife or purchaser of food for the family unit, should do everything within her power to cooperate with retailers. An understanding of details of the program will do much to aid in daily shopping. Please remember that your food dealer does not make the regulations, but is charged with the responsibilities of carrying out a plan which rationing experts have decided is most helpful to the nation at large.

As Daly City's largest food center, Milo's Market brings you complete shopping service in one big, modern, deluxe market. At the "Top of the Hill" in the center of Daly City's business district, our one-stop convenience can be a real aid in these busy times.

Strongly competitive prices, made possible by our really big-store operations, reign in all departments. Featured are nationally famous brands of staple and fancy groceries at rock-bottom prices; complete selection of all kinds of fresh fish and poultry; and a meat department whose tremendous volume assures a wide choice of cuts and kinds of fresh and cured meats at low prices.

"Gardening" is a pleasure in our enormous section set aside for fresh fruits and vegetables, with racks and racks of every produce item in season. All are daily-fresh, hand-selected from the best - at the growers' markets.

America DRIVES to VICTORY!

SOLDERING, like soldiering, is a craft. And these days, only the best will do. We don't exactly SELL soldering, but we're using it here as an example, just to show you we pay attention to even the smallest detail to insure you the best workmanship. We're prepared to do a better job for you!
